SOURCE: Social Security Administration, Supplemental Security Record (Characteristic Extract Record format), 100 percent data.

NOTES: When the substantial gainful activity (SGA) level is periodically raised, SSI recipients with earnings below the increased SGA level become eligible for regular SSI benefits rather than the special cash payments under section 1619(a). This can lead to decreases in the number of 1619(a) participants.

... = not applicable; -- = not available.

a. Includes blind participants. Of the 78,205 participants in December 2005, 1,228 were blind.
